

Community High School District 99

The Downers Grove South High School Key Club is organizing their 5th annual Mustang Trot 5K Run/Walk on April 9, 2017! We are very excited about this endeavor and the potential to raise and donate a large amount of money to Special Olympics Illinois. This year, we are encouraging the entire community to come out and join us!

Special Olympics is a global organization that unleashes the human spirit through the transformative power and joy of sport, every day around the world. Through programming in sports, health, education and community building, Special Olympics is changing the lives of people with intellectual disabilities solving the global injustice, isolation, intolerance and inactivity they face.

Did you know.... Special Olympics Illinois provides opportunities for more than 22,500 athletes, more than 20,000 Young Athletes, 45,000 volunteers and thousands more people statewide through 18 Area programs in all 102 counties of the state. Funds raised from the Mustang Trot 5K will go to fund our local athletes.

In order to have the most successful 5k event possible and donate as much as we can to Special Olympics, we are seeking donations from local business and corporations willing to afford opportunities for people with intellectual disabilities in your community. Since this is a student-led effort, the event is geared towards teaching students about social responsibility, as they will likely become future donors themselves.

We hope that you will consider supporting Downers Grove South Key Club's 5th annual Mustang Trot 5K Run/Walk. We estimate that more than 200 people will participate, but it could be even more! Please see the reverse side of this letter for information regarding what you will receive in exchange for your donation. Feel free to contact us with any questions. We look forward to working with you!

Sincerely,

Amy Klug & Adrienne Miller, Key Club Advisors
